*! Due to stipulations cited within \*county enforcement codes, TCI installers are unable to park delivery vehicles on public streets. On-site parking must be available for ALL deliveries/services provided to customers within apartment buildings. Please note that parking fees incurred are the sole responsibility of the customer.*

*\*Includes but not limited to Broward, Dade and Palm Beach Counties.*

*! We will deliver all items EXCEPT for 30" freestanding ranges, 30" slide in ranges, double wall ovens, front load washer/dryers and refrigerator/freezers.*

*! All replaced items are hauled away at no additional charge except built in refrigerators and combo (3 in 1) ovens. If you would like to keep your old appliances, please inform our installer PRIOR to commencement of work.*

phone **954-493-7300** fax **954-493-7480**

## Thank you for choosing TCI for your installation needs.

*Below you will find some useful information to make the delivery a simple process for you.*

**Prices listed on this sheet are ESTIMATES only.**

Every situation can vary depending on existing building materials, construction techniques, etc. If any unusual problems arise resulting in additional costs, we will notify you prior to any work being performed.

Please keep in mind that if installation **HAS NOT** been paid for at the time you made your purchase, then payment is expected **COD** at the time of completed work. We accept cash, check, Visa and Mastercard.

You will receive a call the day before your scheduled installation between the hours of 2pm and 4pm. At time you will be given a time frame of either **AM 8-12, MIDDAY 10-2, AFTERNOON 12-4, or LATE PM 2-6.** Times are generated by zip code location and cannot be changed. We must have phone confirmation in order

to keep your job scheduled. If you receive a telephone message from us, please call back to confirm your time. We will make every attempt to accommodate requested time frames but cannot guarantee them.

*! There will be a \$ 25 re-delivery fee if nobody is home for a confirmed appointment.*

*! A nominal fuel surcharge may apply to all orders.*

*Changing amperage may result in additional electrical work such as upgrading or down-grading breakers, fuses, or wiring, and is not part of installation prices. An electrical contractor may be required for such work. TCI will not be held responsible for any existing electrical problems, circumstances, or deficiencies in the home.*

*! TCI will not be held responsible for cutting a hole in the wall as requested by customer if the same location is not the one recommended by the installer.*
